feb.13.1848 __ 6m Liver Complaints,

A Positive Remedy for all kinds of Humors.

Scrofula, Scurvy, Sait-Rheum, Carbun-cles and Boils, Ulcers and all obstinate Affections of the Skin, Inflammatory or Chronic Rheumatism, Piles, Chronic or Chronic Resumatism, Piles, Chronic Diarrhea, Mercurial Diseases, and every taint of the System; Dyspepsia, and those Affections originating in the Derangement of the Digestive Organs; viz., Billieus Complaints, Neuralgia, and Nervous Affections, Headache, Languor, and Depression of Spirits, Loss of Appetite, Constinution.

THIS excellent medicinal compound was first prepared by Dr. J. W. POLAND, in 1847, and was then employed with great success in expelling humors from the blood; but in 1848 a medical friend who was quite celebrated as a physician, especially in the treatment of humors, suggested some important improvements, which were gested some Important Improvements, which were adopted, and which has made it (so the people say) the very best remedy for all kinds of humors known to "the faculty." This preparation is composed entirely of vegeta-

bies, among which are Sareaparilla, Yellow Dock, Noble Pine, Mandrake, and Bloodroot. When the originator lived in New Hampshire, at Goffstown Centre, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly values for the numerous and wonderful cures which it of fected. Though manufactured in large quantities the supply was frequently exhausted, and purchaers had to wait for more to be made. In that re gion, some very severe cases of Erysipelas were treated with, — and they were cured! Erysipelas sores, or earbuncles, — those ugly, painful ulcers, -were entirely removed wherever this medicin was faithfully used. So it was with Scrofula and Salt-Rheum. The Humor Doctor cured them. It is free from any dangerous drugs, is pleasant to the taste, safe, yet sure and effective in its action.
